

Close Protection Course

Longmoor Training's Close Protection (CP)/Personal Security Detail (PSD) course is of such a high standard that it brings you above and beyond the guidelines set down by the Security Industry Association (SIA).

Longmoor Training's instructors are highly qualified and have current experience in their specialist fields. All have served with the world renowned Royal Military Police Close Protection Unit or UK Civilian Police Protection Units. This combination delivers you the most comprehensive CP course in the world.

Your training is current, relevant and intense. It will prepare you to work in the most hostile environments around the world.

Modules include:

- Individual Bodyguard (IBG)
- Team Drills (mobile & foot)
- Protective Driving
- Advanced Medical Trauma
- Anti Ambush (mobile & foot)
- Unarmed Combat (Krav-Maga)
- Specialist Firearms Training

Relevant and regular training instills confidence in the individual's decision-making process, especially whilst operating under pressure. Longmoor Training understands that this is of paramount importance in preparing to meet modern security threats.
